**Our Story:** In May of 2015, a group of five individuals wanting to help those who needed help the most decided to start Influencing Youth Scholarship & Charity Fund to provide today's youth with as much help as possible through our scholarship program. In August of 2016, we applied for 501 (C) (3) status and was granted so in October of 2015. Since then, our board of directors has now grown to seven (7), and our goal is to provide \$25,000.00 in scholarships this October.

Not only are we just a scholarship fund but also a charity fund. Influencing Youth works with and helps other non-profit organizations that have the best interest of today's kids/youth. So far, we have sponsored and helped **Youth Outreach Services (YOS)** and **Down Syndrome Association of NW Indiana & Chicagoland**. We have also sponsored "**No Child Wet Behind**" and sponsored/made donations to **ONP (Operation North Pole)** and are now setting our sights and goals on helping needy kids with school supplies this fall.

We have our work cut out for us, and as you know, this is not easy work. We will undergo a grant writing program, fundraising program (this is one of them) annually and continually work with helping today's kids/youth.

So please join us at our first annual golf outing and help make it a success. We are a recognized 501 (C) (3) charitable organization. As we grow, we will take on more and more projects designed around the best interest of today's kids/youth. These projects include mentoring programs, learning programs and more.
